

PACKED

INSTRUCTION MANUAL

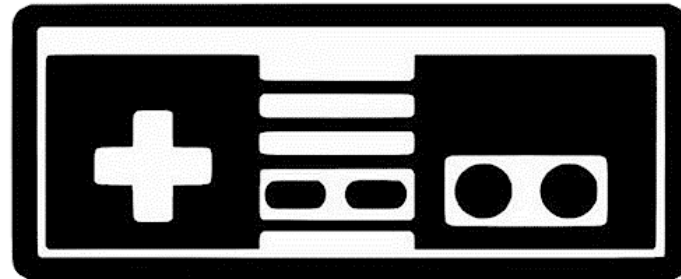

STORY

Packey and his brothers Lackey and Lackey 2 live on Turtle Island. One day Lackey went on a scavenger hunt and did not return. Packey found a trail of yogurt-covered raisins, Lackey's favorite treat, leading to a haunted house. To rescue his brother, Packey must first... **FIND THE RAISINS!**

CONTROLS

D-PAD: Move Packey
START: Begin Game / Pause Game

No other buttons used in this demo.

Packey will find himself in a series of mazes. His objective is to collect all of the raisins he finds, while avoiding contact with the mysterious ghosts.

Packey starts off with three lives. Each time a ghost touches him, he will lose a life. When his lives reach zero, it is game over.

ITEMS

Packey loves to collect all that he finds! Pick these items up for points and maybe a special effect in your battle with the ghosts!

Clock	100 Points
Light Bulb	200 Points
Key	500 Points

Temporarily freezes enemies
Turns lights back making ghosts flee
Unlocks the next level

SCORING

In addition to earning points for collecting the above items, Packey earns 10 points for each raisin he finds.

Raisins can be worth more even more points if you are able to collect a large number of raisins in a row without any break. For every 10 raisins collected without interruption, a multiplier effect goes into place, making raisins worth 20, 30, 40 or even 50 points each!

TIP!

While Packey starts with three lives, he can earn more. Earn 10,000 points and an extra life will be added. More lives will be added at 20,000 and 50,000 points!

8 BIT BRIX

BUILD YOUR OWN PACKEY IN THE REAL WORLD!

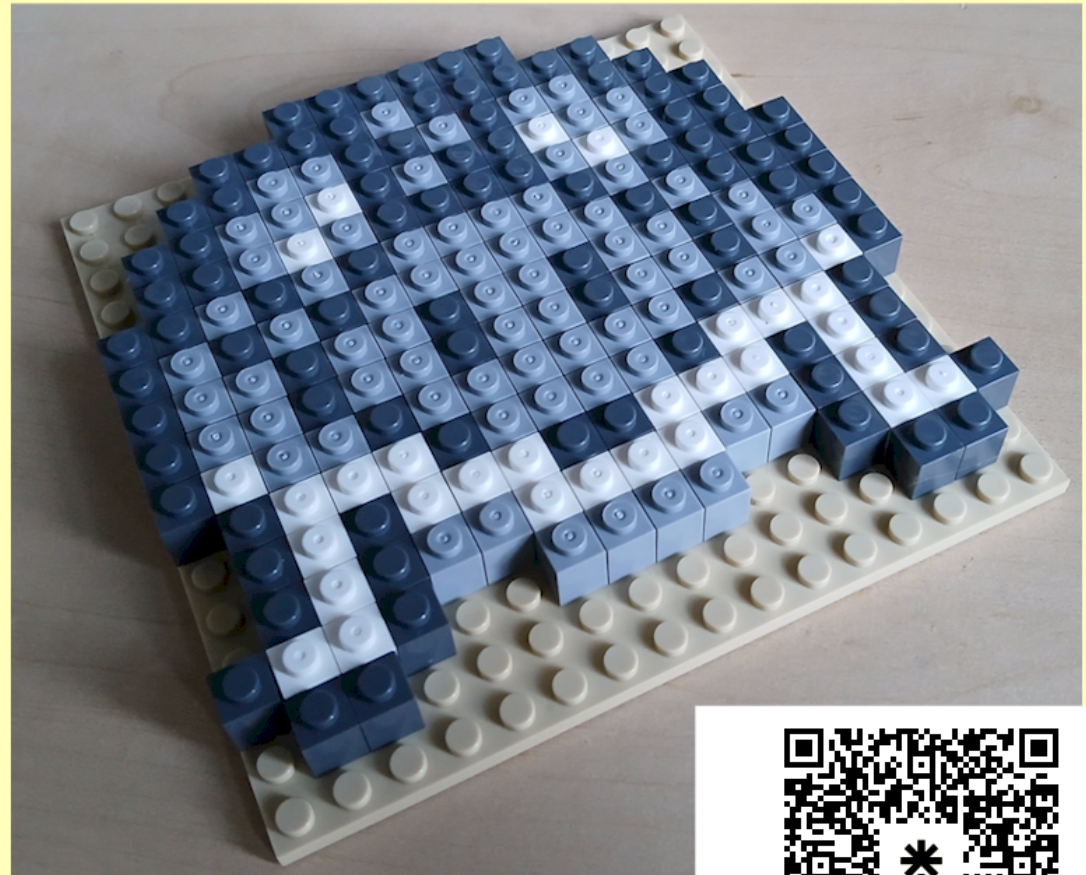

8Bit Brix are real-world building block sets featuring fun characters from various indie 8-bit video games! Each set has enough bricks to allow you to build several different pixel pals, or create your own! Collect them all!

PACKEY

3104

PROTOTYPE SHOWN

The official Packey set will be released in the near future. If you want to build it now, you can use brick elements from 3103 Rascally Raccoon and 3201 Seashell sets, or find similar elements from your own brick collection!
