# HOW TO PLAY

\* DEMO Controls, additional inputs may be added later.

# PLAYER

Jane is a young doe whose world is turned upside down by a threat from the outside that has come to her home to hurt her and her friends. She must discover what it is and try and save not only her home but the lives of her friends.

# FRIENDS

John is Jane's caring boyfriend who tries to be there for her at all times, but a situation has occurred in which he is nowhere to be found and she must not only discover what is happening to her home but those of her friends deep within the forest.

# ENEMY CHARACTERS

## Bunny Girl

One of the meekest creatures that attacks either due to her being scared or controlled.

## Wolf Girl

A cunning predator that will devour her prey without a second thought. She is quick to bite first and ask questions later.

## ENEMY CHARACTERS

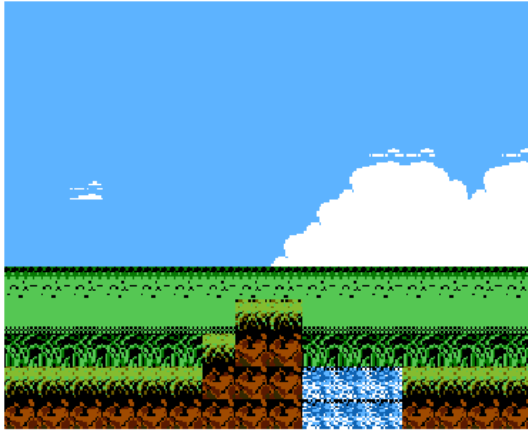

### **Hunter the Hound**

A dedicated and honored killer of all creatures he finds desirable in commitment to his master who sends him out to confront his prizes and collect them as trophies for his master's sick twisted game of the macabre art of capture and butchery.

# LOCATIONS

## [ Open Field ]

Where your journey begins as you must run like the wind to escape your pursuer and his long range rifle, avoiding your timid friends who may be scared or controlled by the fiend.

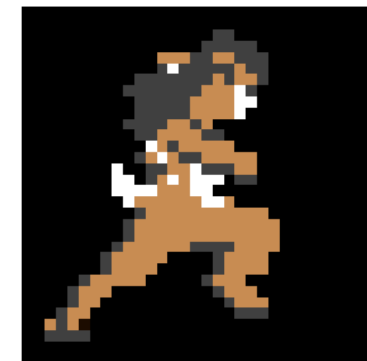

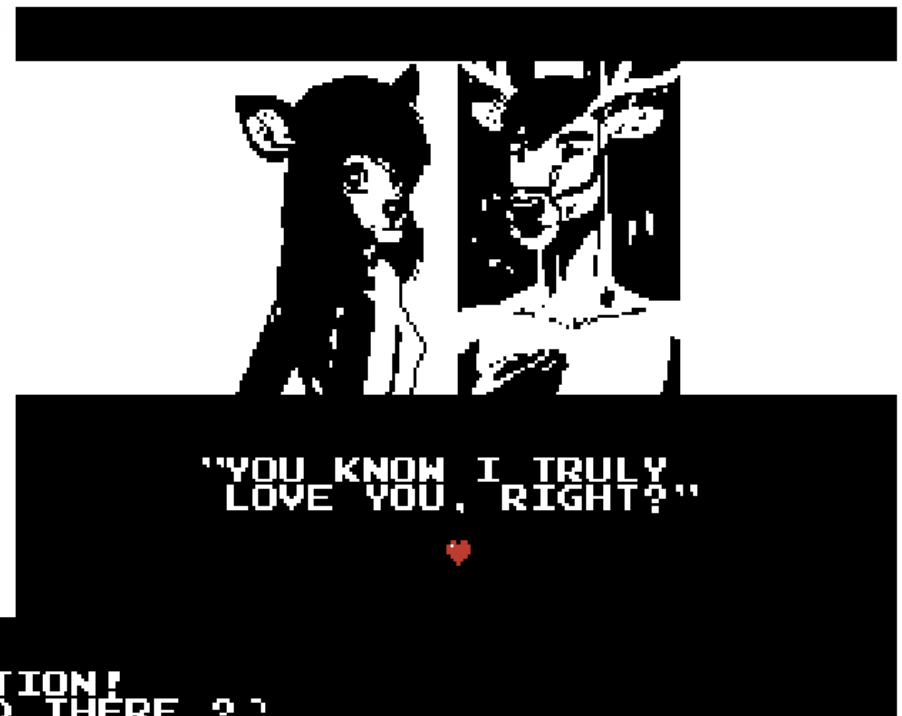

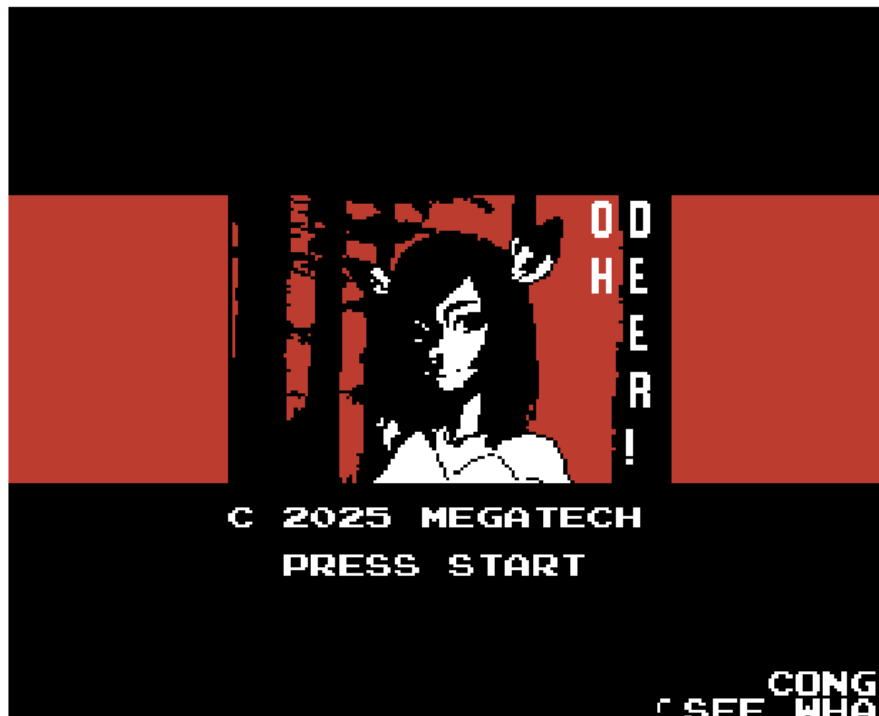

## [ Forest ]

Make your way into the deep forest to evade the madness closing in on you as you try to unravel the mystery of your disappearing friends.

\* A total of six stages with level one in the demo.
