CONTROLS

Player Screen

Pickups

Fuel

Pickup Fuel Cans to replenish your fuel meter. Fuel pickups cost \$20

Health

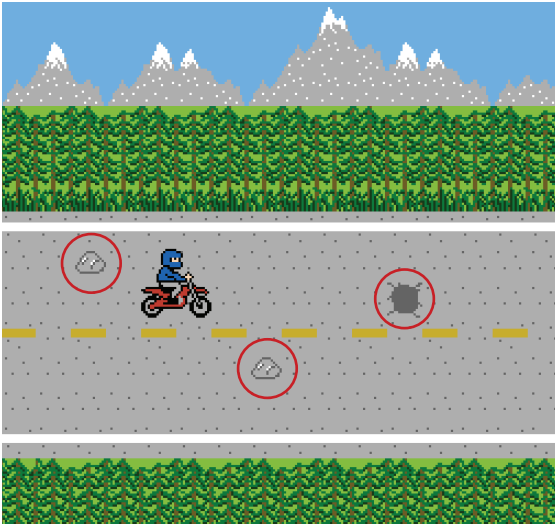

Pickup Repair Wrench to replenish your Health meter to max. Health pickups at waypoints cost \$30

Quest Items

Be on the lookout for these items. Be sure to explore and talk to people, as there may be a chance to earn some extra cash.

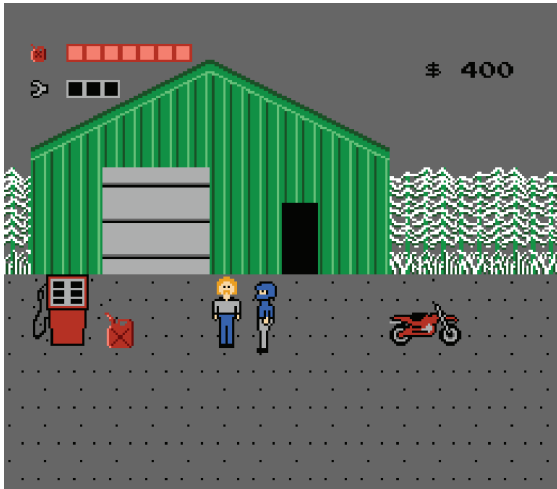

Obstacles

Each level is layered with obstacles to avoid.

Hitting an obstacle results in the player losing one bar of health

NPC Interaction

Interact with the NPC's on the map by Pressing the B Button.

Some may give you quests while others may reward you with quests completed.

Others may just want to only talk...

Whether you talk to an NPC or not, or depending on which NPC you talk to first may change the story...
